ERATION OF LOCAL AND  
UNCONTESTED BILLS**

Mr. Crossley offered the following resolution:

H. S. R. No. 144, Providing for the Consideration of Local and Uncontested Bills.

Whereas, Numerous local bills and general bills with local application are now pending in the House of Representatives and have been passed on as such by the "Local and Uncontested Bill Committee"; and

Whereas, To postpone action on them until the latter part of the session will jeopardize their final passage; therefore, be it

Resolved by the House of Representatives, That a session of the House be held Thursday afternoon, March 6, 1941, for the consideration of such local and general bills with local application and uncontested bills and that the "Local and Uncontested Bill Committee" be authorized and directed to prepare a calendar for said session.

Whereas, Baroness Silvercruys is an international famous author, actress, sculptress and musician; now, therefore, be it

Resolved by the House of Representatives, That Baroness Silvercruys, Mrs. Witt and Mrs. Walter Fisher and Mrs. J. Porter be given the privilege of the floor of the House on March 5, 1941, and Baroness Silvercruys be invited to address the House at 11 a. m.

Tournament will be held in Yoakum, Texas, March 7 and 8, in which approximately one hundred teams representing the larger high schools in South Texas will compete, and

Whereas, They will debate the subject, "Resolved, That Texas Should Increase the Tax on Natural Resources," and

Whereas, These students have made a study for many months of this issue which is now confronting the House of Representatives, and have done extensive research and compilation of facts and figures on the subject, and

Whereas, The winning teams of this final tournament will represent the best in thought and ability that has been evolved from this widespread contest, and

Whereas, The House of Representatives has the privilege and duty of encouraging the youth of our State to take an interest in economic and governmental matters, and

Whereas, The Members of the House of Representatives are interested in the extensive information and the pro and con aspects of this important subject that will be brought out in the debate in an unbiased manner, and would profit much from hearing same; now, therefore, be it

Whereas, Governor W. Lee O'Daniel has recently issued a proclamation setting March 8th as Texas Farm Day; and

Whereas, Texas has long been a great agricultural State and all of her people are vitally interested in this one industry; and

Whereas, This will tend to advance the cause of agriculture;

Be it resolved by the House of Representatives of the Forty-seventh Legislature, the Senate concurring, That the Governor and all farm leaders of our State be commended for this action; and

#### PROVIDING FOR APPOINTMENT OF CERTAIN COMMITTEE

Mr. Carrington offered the following resolution:

H. C. R. No. 56, Providing for Appointment of Certain Committee to Investigate Cost of Fire-Proofing of State Land Office Building.

Whereas, The State Land Office Building, among other buildings in Austin, represents the investments of the people of Texas with many millions of dollars, and that it contains records and documents which are priceless and irreplaceable if destroyed; and which are worth an amount so great that their value could not be estimated in money; and no insurance can be obtained upon the same at any price; and

Whereas, Much of the construction of said Land Office Building is of wood and other materials easily destroyed by fire, and said building

as a whole could easily be destroyed, and it is impractical to obtain and pay for fire insurance on said building; now, therefore, be it

Resolved by the Senate, and the House of Representatives concurring, That a committee of six be appointed, consisting of three Members of the Senate, to be appointed by the Lieutenant Governor, and three Members of the House of Representatives, to be appointed by the Speaker thereof, to investigate the feasibility and probable cost of fireproofing said Land Office Building, and such other recommendations as said Committee may deem proper, and to report back to both Houses the findings and recommendations of said Committee within thirty days from the effective date of this resolution.

The resolution was read second time and was adopted.

TO INVITE HONORABLE WENDELL L. WILLKIE TO ADDRESS THE LEGISLATURE

Mr. Benton offered the following resolution:

H. C. R. No. 57, Inviting Honorable Wendell L. Willkie to Address a Joint Session of the Legislature.

Whereas, The Honorable Burton K. Wheeler is reported by the press of March 5th, to have issued a statement expressing a conviction that "an overwhelming majority of the people" were against the Lend-Lease Bill, and urging "that they make their feeling known to their Senators and Congressmen"; and

Whereas, Numerous other Senators, to-wit: Taft, Nye, Clark, et al., have, by their acts, conduct, and expressions, concurred in this statement of Senator Wheeler and approved his course in and out of the Senate on the Lend-Lease Bill, and cooperated with him in an effort to kill said bill; and

Whereas, If said statement by said Wheeler and concurred in by those associated with him in opposition to the Lend-Lease Bill is grossly untrue and manifestly false, it necessarily follows that such statement is essentially un-American and unpatriotic; and

Whereas, If the course of conduct of said Wheeler et al. is not consistent with the best interest and the general welfare of the people of the United States, then such statement and such conduct challenge the suspicion and merit the denunciation of the American people; and

Whereas, The statement of Senator Wheeler is wholly untrue and manifestly false and the course of conduct of Senator Wheeler and his associates is inconsistent with the best interest, dangerous to the general welfare and threatens the safety of the American people; and

Whereas, The spirit of patriotism and the loyalty to and love of country is the distinguishing virtue of freemen which saves and preserves their country; and

Whereas, The American people—the American Nation—is confronted with a condition never before experienced in this country, threatening the perpetuity of the Government itself; and

Whereas, Under these circumstances the unity of the citizenship is demanded and the call of the country is for a united people confronted by the opposition of a power-mad world; and

Whereas, The Honorable Franklin D. Roosevelt, President of the United States, and the Honorable Wendell L. Willkie, late candidate for the Presidency against Mr. Roosevelt, have laid aside their personal differences, forgotten their political antagonisms and met in close and confidential conferences with the sole purpose of sustaining their country and preserving and perpetuating the form of our Government and the freedom of her people, desiring only the preservation of the country which they both love and which they both honor; therefore, be it

Resolved, by the House of Representatives of the State of Texas, the Senate concurring, That we emphatically deny the statement of said Wheeler, and we disapprove and denounce the course of conduct of him and those associated with him in their unwise, unpatriotic and unsafe attitude in opposing the Lend-Lease Bill; be it further

Resolved, That we take pride in, honor and commend the course of cooperation and the example set by the President and Mr. Willkie and commend the same to the American people, urging them to follow the example of these illustrious Americans, lay aside politics, forget differences, work for the common good of the country, and say of the President, as Mr. Willkie said of him. "He is my President now." Be it further

Resolved, That for the time being we are laying aside politics and political differences and that we cordially invite the Honorable Wendell L. Willkie to address the Texas Legislature in Joint Session on the 21st day of April, San Jacinto Day, on the subject of the crisis confronting our people because of international conditions. Be it further

Resolved, That the Chief Clerk of the House send a copy of this resolution to the Honorable Wendell L. Willkie of New York and to make the necessary preparations for his accepting the invitation herein expressed and addressing the Legislature. Be it further

Resolved, That copies of this resolution be sent to Honorable Tom Connally and Honorable Morris Sheppard, Texas Representatives in the United States Senate.

The resolution was read second time.

Mr. Isaacks raised a point of order on further consideration of the resolution at this time, on the ground that the time allotted for the consideration of resolutions has expired.

The Chair sustained the point of order.

#### RELATIVE TO HOUSE BILL NO. 322

The Chair laid before the House, as unfinished business, H. S. R. No. 139, by Mr. Turner, Relative to House Bill No. 322.

The resolution having heretofore been read second time.

On motion of Mr. Turner, House Simple Resolution No. 139 was laid on the table subject to call.

#### HOUSE BILL NO. 90 ON THIRD READING

The Chair laid before the House, on its third reading and final passage,

H. B. No. 90, A bill to be entitled "An Act to license and regulate persons engaged in the business of constructing, reconstructing, repairing, altering, installing or adjusting weights, scales or weighing devices; providing for registration fees and for examinations of applicants for licenses; providing for issuance of renewal licenses on payment of renewal fees; providing for the deposit of fees in the State Treasury; providing that a firm, partnership, corporation, company or association may engage in the business of scale repairman in this State, if such business is carried on by only scale repairmen licensed and registered in this State; providing for the keeping of certain records; providing for enforcement of the Act including the promulgation of rules and regulations not inconsistent herewith by the Commissioner of Agriculture; providing for the revocation and suspension of licenses; providing certain exemptions; providing penalties for violation of the Act; repealing all laws in conflict; including a saving clause; and prescribing the effective date."

The bill was read third time and was passed by the following vote:

HOUSE BILL NO. 201 ON  
SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 201, A bill to be entitled "An Act amending Section 11 of Article 2351 of the Revised Civil Statutes of Texas, 1925, as amended, pertaining to the powers and duties of Commissioners' Courts, by adding thereto a provision authorizing the Commissioners' Court to appropriate money not exceeding Seventy-five Thousand Dollars, out of any available funds, to lend to or deposit with any agency of the State of Texas or of the United States, to aid and assist

in carrying out the purposes and provisions of an Act of Congress of the United States, pertaining to the distribution of surplus commodities under the direction of the Surplus Marketing Administration in the Department of Agriculture of the United States and all regulations issued thereunder creating the Food Stamp Plan or system, and declaring an emergency."

The bill was read second time.

Mr. Hoyo offered the following amendment to the bill:

Amend House Bill No. 201 by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. That Sec. 11, Article 2351, of the Revised Civil Statutes of Texas, 1925, be and the same is hereby amended so as to hereafter read as follows:

"'11. Provide for the support of paupers and such idiots and lunatics as cannot be admitted into the lunatic asylum, residents of their county, who are unable to support themselves. By the term resident as used herein, is meant a person who has been a bona fide inhabitant of the county not less than six months and of the State not less than one year. Said court is further authorized to appropriate money not exceeding Fifty Thousand Dollars (\$50,000), out of the general fund to lend to or deposit with any agency of the State of Texas, or of the United States, to aid and assist in carrying out the purposes and provisions of an Act of Congress of the United States, pertaining to the distribution of surplus agricultural commodities to persons in need of assistance under the direction of the Department of Agriculture of the United States. And provided further that the Commissioners Court may appropriate and expend out of the general fund of the county, a sum of money not exceeding Twenty-five Thousand Dollars (\$25,000), in any one year, to pay the necessary expenses of aiding and assisting in administering and carrying out the purposes and provisions of said Act of Congress of the United States.

"Sec. 2. If any section, subsection, or clause of this Act is, for

any reason, held to be unconstitutional, such decision shall not affect the validity of any of the remaining portions of this Act, and it is hereby declared that this Act would nevertheless have been passed without such section, subsection, or clause so declared unconstitutional.

"Sec. 3. The fact that an Act of Congress of the United States has appropriated money for the Department of Agriculture of the United States providing for the disposition of surplus agricultural commodities by the Department of Agriculture of the United States, that said Department is now distributing surplus agricultural commodities in a very beneficial manner to persons in need of assistance and the fact that the method of distribution requires the lending of money by counties or municipalities desiring to participate in the benefits of such distribution and the further fact that there is now some doubt as to the legal authority of the Commissioners Court to appropriate funds for the purpose of aiding and carrying out the provisions of said Act and in view of the further fact that persons in various counties of Texas are in dire need of assistance that might be extended to them in connection with the distribution of surplus agricultural commodities, creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three successive days be and the same is hereby suspended and that this Act shall take effect and be in force from and after its passage and approval by the Governor of this State, and it is so enacted."

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 201 was then passed to engrossment.

HOUSE BILL NO. 218 ON  
SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 218, A bill to be entitled "An Act to provide a hearing as to the sanity of persons who have previously been judicially declared to be of unsound mind; setting out procedure with reference thereto; and providing for venue of said cause of action; and declaring an emergency."

The bill was read second time.

Mr. McGlasson offered the following committee amendment to the bill:

Amend House Bill 218 by striking out all below the enacting clause and inserting in lieu thereof the following:

Section 1. Whenever one or more adult citizens of this State, shall file an affidavit with the County Judge of the county in which any one of the affiants reside, alleging under oath that there is residing within said county, or confined within said county, a person who has theretofore been adjudged to be of unsound mind, or an habitual drunkard, and that in the opinion of affiants such person has been restored to his right mind or to sober habits, and that there is no criminal charge pending against such person, the County Judge shall forthwith, either in term time or in vacation, set a day, not less than five nor more than ten days from the date on which such affidavit is filed with him, for a hearing to determine the sanity, or sobriety, of such person. The County Judge shall cause notice of the date set for the hearing to be issued by the County Clerk to the guardian of such person, if any, and to those having custody of such person, if any there be, within one day of the filing of such affidavit, that such affidavit has been filed, and that a hearing is to be had thereon, giving the time and place thereof. Such notice may be served by the sheriff of the county or by any constable of the county. The County Judge shall direct the sheriff of the county to bring such person into open court for said hearing if such action be necessary to procure his presence at the trial.

Sec. 2. If a jury is demanded by the affiants or the guardian or by the person seeking to be restored to his right mind, or to sober habits, or

if the County Judge desires a jury to pass on the question of whether or not such person has been restored to his right mind, or to sober habits, then the County Judge shall issue an order either orally or in writing to the sheriff of the county or any Constable of the county directing him to summon a jury of twelve competent jurors, to be and appear before such Judge, at the time and place designated in such order for the purpose of hearing and determining the issues to be submitted in said matter. When said jurors have presented themselves to the County Judge if there be a contest on the question of whether such person seeking to be restored to his right mind, or to sober habits, has in fact been restored to his right mind, or to sober habits, then those seeking to have such person restored to his right mind or to sober habits, shall have the right to challenge three of said prospective jurors, and those seeking to prevent such person being restored to his right mind or to sober habits shall have the right to challenge three of such prospective jurors. If there be no contest, and if a jury be called for, then the first six persons whose names are called by the Judge from the list presented by the sheriff or Constable shall constitute the jury. If no jury is demanded, the County Judge may, if he so desires, hear the evidence and render judgment without the aid of a jury.

Sec. 3. If the trial of the case, either before a jury or the County Judge, results in a finding that such person has been restored to his right mind, or to sober habits, a judgment shall be entered upon the minutes of the Court reciting such facts and adjudging such person to be of sound mind or sober habits, and such person, if then under restraint, shall be ordered discharged immediately; but if such person is found to be still of unsound mind, or an habitual drunkard, and he has theretofore been under restraint, he shall be ordered returned to the institution or person theretofore having him in custody.

Sec. 4. If such person be under guardianship at the institution of such proceedings, and shall be adjudged to have been restored to his right mind, or to sober habits, under the provisions of this Act, then said

person may furnish said former guardian with a certified copy of the judgment of the County Court, declaring him to be restored to his right mind, or to sober habits, and file a similar copy in the Court where such guardianship is pending, and said former guardian shall, within fifteen days, after receiving said certified copy of such judgment, file his final account in the guardianship proceedings and deliver all the property remaining in his hands to his former ward, fully itemizing such property, and all receipts and expenditures in connection therewith in said final report.

Sec. 5. Providing however that said former guardian may, within said fifteen-day period, deliver to the former ward the estate remaining in his hands, together with a full and complete statement of the affairs of said estate during his tenure of office as such guardian, and if the former ward shall so desire, the former ward may execute a release and receipt to the former guardian, duly acknowledged before a Notary Public, which release and receipt may be filed by the former guardian among the papers of such guardianship; and, if this procedure is followed, it shall not be necessary to file a final account, but in any event the judgment of the County Court restoring the former ward to sanity and his right mind or to sober habits, shall have the force and effect of immediately terminating the guardianship; and the relation of creditor and debtor shall immediately exist between the former guardian and the former ward.

Sec. 6. If said former guardian shall fail or refuse to comply with the foregoing provisions of this Act and shall fail and refuse to deliver any of said property to the former ward within fifteen days after receiving a certified copy of said judgment of the County Court, then the former ward shall have the right to file suit in the District Court of the county where he then resides against said former guardian for the recovery of his estate, and a full accounting thereof, providing the amount in controversy is within the jurisdiction of the District Court; otherwise he shall have the right to file such suit against his former guardian in the

County Court of the county wherein he then resides for the recovery of his estate.

Sec. 7. The foregoing provisions of this Act shall not apply where there is simply a bona fide dispute between the former guardian and the former ward as to the actual amount of money due and owing the former ward by the former guardian, where said dispute arises in good faith, and where within said fifteen-day period, the former guardian makes tender to the former ward of what he considers the true amount due and owing such former ward. In such cases, if the former ward be not satisfied with the final accounting of his former guardian, and be not satisfied with the amount of money or property tendered to him, and desires to file suit against such former guardian, then venue of such suit shall be either in the county where such guardianship is pending or in the county where such former guardian resides, and such action may be brought in either of such counties, and jurisdiction shall be in the District Court if the amount in controversy is within the jurisdiction of the District Court; and if the amount in controversy is not within the jurisdiction of the District Court then the case shall be filed in the County Court.

Sec. 8. In such action brought by the former ward against its former guardian, the former ward, in the event of a recovery, shall be allowed a reasonable attorney fee, for which the former guardian and his bondsmen shall be liable.

Sec. 9. From a judgment of the County Court adjudging a person to be restored to his right mind, or to sober habits, brought under this article, there shall be no appeal, but nothing herein shall be construed as precluding a hearing thereafter on the sanity of such person, in the manner as provided by law for hearings in lunacy cases, or his thereafter being adjudged an habitual drunkard, in an original proceeding brought for that purpose; providing, however, that no person who has ever been restored to his right mind or to sober habits, under the provisions of this Act, shall ever thereafter in this State be adjudged a person of unsound mind, or an habitual

drunkard, unless actual notice of the time and place of hearing of such lunacy or habitual drunkard action be first personally served upon such person a reasonable length of time before such hearing actually takes place.

Sec. 10. If any word, phrase, clause, sentence, paragraph, section or part of this bill shall be held by any Court of Competent Jurisdiction to be invalid or unconstitutional, it shall not effect any other word, phrase, clause, sentence, paragraph, section or part of this Act.

Sec. 11. This Act shall be cumulative of Articles 4282, 4283 and 4284 of the 1925 Revised Civil Statutes of the State of Texas, and Section 4 of Article 5561-A, Title 92, of the Revised Civil Statutes of Texas, 1925, is hereby expressly repealed.

Sec. 12. The fact that there exists many conflicts in the law with reference to how one who has been adjudged to be of unsound mind, or an habitual drunkard, may be legally adjudged to have been restored to his right mind, or to sober habits, and the further fact that the law is ambiguous at present and that many persons, now of sound mind and sober habits, but who have been adjudged to be of unsound mind, or habitual drunkards, are now suffering as a result of the conflict and ambiguity of our law, creates an emergency, and an imperative public necessity, that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended, and this Act shall take effect, and be in force, from and after its passage.

The committee amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 218 was then passed to engrossment.

Mr. Hoyo moved to reconsider the vote by which the bill was passed and to table the motion to reconsider.

The motion to table prevailed.

## REASON FOR VOTE

This is an explanation of my vote on H. B. No. 295, which is a local law affecting the appointment and salaries of deputies in the offices of District Clerk in Bexar County, Texas. This bill is made to apply to Bexar County only by use of the population bracket device, and it undertakes to regulate the affairs of only

Bexar County. Gov. O'Daniel has condemned this type of legislation and Attorney General Mann has ruled repeatedly that this form of bill violates Section 56 of Article 3 of the Texas Constitution. In my opinion the bill is of doubtful validity and I have suggested to my colleagues from Bexar County that all such bills, affecting only San Antonio and Bexar County, be referred to the Attorney General for an opinion as to their validity before they were enacted into law. My colleagues have not agreed with my suggestion and being outvoted four to one, I think that it is unfair to bring a local fight to the floor of the House and ask the other members to take sides on an issue in which they have no interest. Since I am of the opinion that bills of this nature are of doubtful validity and can only serve to clutter up the courts and cause further loss of respect for our laws, I can consistently take no part in their passage and I, therefore, answer as "present and not voting."

FAGAN DICKSON.

## HOUSE BILL NO. 349 ON SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 349, A bill to be entitled "An Act authorizing the Board of Regents of the University of Texas and the branches thereof, the Board of Directors of the Agricultural and Mechanical College and its branches, the Board of Directors of Texas Technological College, the Board of Regents of the State Teachers' Colleges, the Board of Directors of the Texas State College for Women, and the Board of Directors of the College of Arts and Industries to charge students building use fees of not to exceed Five (\$5.00) Dollars per semester for the construction and equipment of buildings and power plants, the paving of streets, the purchase of land, and for other capital improvements; providing that such acquisition, equipment and construction shall be without cost to the State of Texas; providing for the issuance of negotiable revenue bonds to be secured by a pledge of such building use fees and that such bonds may be additionally secured

by a pledge of the revenues from buildings and facilities of such institutions; making it the duty of the governing boards of such institutions to fix adequate fees and charges; requiring approval of such bonds by the Attorney General and prescribing the effect thereof; providing that bonds issued under this Act shall be eligible investments for the Permanent School Fund of Texas; and declaring an emergency."

The bill was read second time.

Mr. Manning offered the following amendment to the bill:

Amend H. B. No. 349 by changing the period at the end of Section One to a comma and adding the following:

"provided, however, that the building use fee herein authorized to be collected shall be included as a part of the fees authorized to be collected by Article 2654c of the Revised Civil Statutes of the State of Texas, Acts of the 43rd Legislature, page 596, Chapter 196, and the governing boards of the several institutions of higher learning herein enumerated shall not increase tuition at said institutions in excess of the amounts authorized by said Article 2654c."

The amendment was adopted.

Mr. Alsup offered the following amendment to the bill:

Amend H. B. No. 349 by changing the period at the end of Section Two and adding the following:

"provided, however, that the Legislature shall never make an appropriation out of the General Fund of the State, either in the Regular Appropriation Bill or in a Supplemental or Emergency Appropriation Bill, for the purpose of equipping or furnishing or for the purpose of purchasing or installing any utility connections in any of the buildings erected or improved by virtue of the provisions of this act."

The amendment was adopted.

By unanimous consent of the House the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 349 was then passed to engrossment.

Mr. Skiles moved to reconsider the vote by which the bill was passed, and to table the motion to reconsider.

The motion to table prevailed.

HOUSE BILL NO. 262 ON  
SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. ## HOUSE BILL NO. 405 ON SECOND READING

The Chair laid before the House, on its second reading and passage to engrossment,

H. B. No. 405, A bill to be entitled "An Act amending the 'Lower Colorado River Authority Act,' Chapter 7, Acts of the 4th Called Session, 43rd Legislature, by adding a new section to be known as Section 3-a, to provide that the Directors of the Authority who shall be appointed subsequent to the effective date of this Act shall be residents of counties through which the Colorado River flows or which are adjacent to the Colorado; and declaring an emergency."

The bill was read second time.

Mr. Bruhl offered the following committee amendment to the bill:

Amend H. B. No. 405 by striking out all below the enacting clause and inserting in lieu thereof the following:

Section 1. That Chapter 7 of the Acts of the 4th Called Session of the 43rd Legislature, known and cited as the "Lower Colorado River Act," be and the same is hereby amended by adding thereto a new section following Section 3, to be known as Section 3-a, and to read as follows:

"Sec. 3-a. From and after the ef-

fective date of this Act, every Director appointed to the Board of the Lower Colorado River Authority shall be a resident of and freehold property taxpayer of one of the counties comprising the district known as the Lower Colorado River Authority, as named in Section 1 of said Act, and who shall have been such resident of and freehold property taxpayer in one of the counties of said district for not less than five years next preceding the appointment of any of such directors; providing that not more than one of such directors shall be residents of the same county, and all such directors shall be appointed with the advice and consent of the Senate; provided, however, that this Act shall not be construed to affect the right to hold office for the balance of his present term by any director who has heretofore been legally appointed and qualified."

Sec. 2. The fact that under the present law, Directors of the Lower Colorado River Authority may be appointed from any county in the State and the fact that many counties in the State are not situated within the watershed of the Colorado River, or adjacent to the Colorado River, and the fact that it is desirable that the Directors of the Authority be residents of such district, and be appointed with the advice and consent of the Senate, creates an emergency, and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended and said Rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

The committee amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and with the body of the bill.
